# Clint Kevin L. Diesta

Full-Stack Developer

Makati City, Metro Manila| (+63) 991-500-841| https://clint-kevin-diesta.vercel.app/

## PROFESSIONAL SUMMARY

Recent BS Information Technology graduate with hands-on experience in software development, database management, and system testing gained through internship and academic projects. Knowledgeable in Java, Spring Boot, React, MySQL, PostgreSQL, and Git. Seeking an entry-level software development opportunity where I can contribute, learn, and grow as a developer.

## EXPERIENCE

**People's Television Network (PTV) – IT Intern** | Feb 2026 – Apr 2026
• Developed the PTV Intern Monitoring System to streamline intern tracking, monitoring, and record management.
• Designed and managed database structures to ensure accurate, organized, and reliable storage of intern information.
• Conducted system testing, data validation, debugging, and troubleshooting to ensure system functionality and reliability.
• Collaborated with technical staff to identify requirements, improve system workflows, and enhance overall system efficiency.

**Lola Sayong GreenLink – Web Development Project** | 2024 – 2025

• Developed responsive web interfaces and contributed to backend functionality.
• Implemented database operations and collaborated on feature development.
• Participated in testing, debugging, and system enhancement activities.

## Sample Project

**Online Portfolio Website** (more information, showcasing multiple demo apps and source code)

• Developed a personal portfolio using React.js and Tailwind.
• Implemented DRY coding principle, deployed on Vercel.

## EDUCATION

**Bachelor of Science in Information Technology –** Cumulative GWA: 1.69
STI College Legazpi | Aug 2022 – Jun 2026

## TECHNICAL SKILLS

**Languages:** Java, JavaScript, TypeScript, C++, VB.NET

**Frameworks:** React, Spring Boot, Tailwind CSS

**Databases:** MySQL, PostgreSQL

**Tools:** Git, GitHub, VS Code

**Core Skills:** Backend Development, REST APIs, Database Design, SQL, Frontend Development, Software Testing, Debugging, System Documentation

## ELIGIBILITY & CERTIFICATIONS

• Civil Service Commission Professional Examination (March 2025)
• Java Fundamentals Course Completion (2023)
• Systems Administration Course Completion (2023)
• SAP Business One Systems Integration & Architecture (2023)

## ACHIEVEMENT

• TLC Programming Challenge – 1st Runner Up (2019)
